Hello Emily,

Would you respond? This is the FOIA request from a television reporter.

Kris-

Per our earlier conversation,

I was hoping to get inspection reports for the last three years (Jan. 1, 2011-Dec. 31, 2013) for facilities required to meet EPA SPCC requirements in Clinton, Scott, Muscatine, and Des Moines Counties.

I would prefer electronic copies of documents. Please let me know if that is possible.

Thank you,
